MRV050 WR

The Mustang Survival Operations Support Water Rescue Vest delivers a more compact, lightweight solution for rescue vests, while still providing 15.5lbs of buoyancy to the wearer. This bright yellow and black vest with reflective tape on the front and back is easily visible in and around the water, while the Fast Tab on the front chest acts as an easy attachment point for accessories such as knives, scissors or strobe lights. With a comfortable fit, the Mustang Survival Operations Support Water Rescue Vest is excellent for continuous wear.
